Thank You

We would like to sincerely thank the Devi Mandir for giving us the opportunity to volunteer and be part of something meaningful.

During our time there, we helped with several important tasks, including spring cleaning, assisting elders, cleaning different areas of the prayer hall, and working outside in the flower garden to beautify the areas.

This was a fun and rewarding experience especially being mentored by Seniors. It taught us the importance of respect, discipline, teamwork, and giving back to the community. In addition to getting credit hours for High School, volunteering also helped build our character and showed us that even small acts of kindness can make a positive difference. We are grateful for this experience and look forward to volunteering again in the future.
